The State Bar of New Mexico proudly brings to New Mexico high school students *Know the Law Before the Law Knows You; For Teens and Young Adults*. This exciting new program informs New Mexico high school students, who are about to make adult decisions, about their new responsibilities and liabilities. We are excited to bring this project to all New Mexico high schools! We believe that it will help inform our youth about the law in preparation for their adult lives. Thank you for helping us reach your students.

Craig A. Orraj
President
State Bar of New Mexico
