????? Question of the Day ?????

Susan from Las Cruces asks ... Are there any scholarships available for the conference?

Unfortunately we do not have funds to offer conference scholarships. Sponsorship money raised has been applied to ALL conference expenses, in essence giving EVERYONE who attends a partial scholarship of approximately **60 percent off**. Yes, without their help registration would be closer to \$350. Where does the money you pay go? Believe it or not - in your stomach! More than 50% of your registration fee covers the expenses of the food provided throughout the conference.
