### CONFERENCE TIP Explore Downtown Albuquerque

Downtown Albuquerque has plenty to offer. There are many shops, restaurants, art galleries and theatres to keep you busy during the evenings after the conference. The Albuquerque Convention Center is just two blocks away from historic Route 66 and offers convenient access to bus service including the D-Ride, a free shuttle that loops around downtown. Visit [www.downtownabq.com](http://www.downtownabq.com) for more information including a list of restaurants, shops and entertainment options in the area.

### We're Improving our Students' Health and the Health of our Environment

Did you know that at Head to Toe 13 we produced about 15,000 handouts? That's equivalent to two whole pine trees! In 2010 we're making a commitment to reduce our waste in a variety of ways. First, we're no longer printing handouts for each breakout session. Instead attendees will receive a booklet containing summaries for every breakout session. The presentation summary book is a valuable asset for your program as it contains key messages, facts, presenter contact information and recommended resources for **every** breakout session offered at the conference, not just the ones attended.

We're also reducing carbon emissions by encouraging attendees to carpool to and from the conference. We've set up an interactive online forum, located on our Web site [www.kessjones.com/connect/forum](http://www.kessjones.com/connect/forum), where attendees can arrange carpool times and groups, or even find a roommate during the conference.

To read more about what we're doing to help the environment and your wallet visit the [Going Green/Saving Green page](#).

### Download PowerPoints Online Before the Conference

We know attendees enjoy taking notes on their copy of the presentation. Though we won't be printing copies for everyone, you will have access to some of the presentations online. We've requested that speakers submit their PowerPoint presentations by April 1, 2010. We'll post them on the [event Web site](#) and you can download and print your own copies.

### ????? Question of the Day ?????

*Victoria from Albuquerque asks...Where can I find a paper registration form?*

As part of our commitment to the environment, we've eliminated paper registration forms for the 2010 conference. All registrations can be completed online by visiting [www.regonline.com/2010H2T](http://www.regonline.com/2010H2T). Online registration is fast and easy; you can select your sessions, enter payment and receive immediate confirmation via e-mail. [Visit the Registration page](#) for more information or call us with questions. We're available 8:30 am – 5:00 pm, Monday thru Friday at the toll free number (866) 219-4582.
