## EARLY BIRD DEADLINE: MARCH 22

### The Early Bird Gets the Best Rate This Spring

Spring is just around the corner, which means the Head to Toe Conference will be here before you know it. Many of you will get to enjoy a week off during spring break, unfortunately, school accounting offices also take a break which could cause delay in your payment. We want you to enjoy the conference at the best rate available; **take advantage of the early bird discount by registering before March 22, 2010.** Your payment must be received in our office by March 22 in order to qualify for the discounted rate; if you are paying by purchase order or check, plan to register in advance so that you may submit payment in time. Spring into action to ensure you're getting the best deal at the conference!
